Rose Room

swing (\( \frac{3}{4} \) = 140)

In sunny Roseland, where summer breezes are play - ing. Where

the honey bees are "A May - ing"

There all the roses are sway - -
While the meadow brook flows.
The moon when shining
is more than ever designing
For 'tis ever then I am pinning
Pinning to be sweetly reclining

Somewhere in Roseland
Beside a beautiful rose.
